Preprosthetic / Preimplant Surgery

Program

Bone Graft Course, Groningen
March 13th – 15th, 2013

- Limited Attendance (20 Participants)
- Hands-on, Fresh Frozen Cadaver Course

In Conjunction with

Wenckebach Instituut, Groningen, NL

International Course

S.O.R.G. ACADEMY

www.sorg-group.com
Aim of the Course

Course participants will learn the basic anatomy and harvest techniques as well as the indications, treatment planning and pitfalls for the most commonly used bone graft procedures in reconstructive preprosthetic surgery.

The use of fresh cadavers offers a unique opportunity to see and explore the anatomy as well as perform the operations in an ideal setting. Two participants will be allocated to each cadaver and so each will be able to perform and assist in each procedure with the assistance of 6 experienced Maxillofacial Reconstructive Surgeons as tutors. The course is supported by video demonstrations.

Organizing Committee

Course Chairman
Jeroen Fennis
Arnhem, The Netherlands

Ruud Bos
Groningen, The Netherlands

Oliver Scheunemann
Tuttlingen, Germany

Faculty

Selcuk Basa, Istanbul, Turkey
Jeroen Fennis, Arnhem, The Netherlands
Johannes Hidding, Moenchengladbach, Germany
Stefan Lundgren, Umea, Sweden
Gerry Raghoebar, Groningen, The Netherlands
Henning Schliephake, Goettingen, Germany
Preprosthetic
Reconstructive Surgery

Strasbourg Osteosynthesis Research Group

Course Venue

University Medical Centre Groningen
Hanzeplein 1
NL-9713 EZ Groningen
The Netherlands

Attendance/Fee

EUR 1,995 (surgeons and surgeons in training)
Course is limited to max. 20 participants

Cancellation Policy

Please note that your attendance to the course can only be reserved after the complete receipt of the payment. Cancellation of your registration is possible until February 1st, 2013. Until February 1st the registration fee will be refunded, minus EUR 200,— handling fee. After February 1st no refunds on registration will be made. No-shows will not be refunded.

3rd Day  (Friday, March 15th, 2013)

08:00  Cadaver dissection
       Bone grafting:
       Iliac crest bone grafts, anterior / onlay bone grafts
       with/without soft tissue surgery

09:30  Cadaver dissection
       Bone grafting:
       Sinus lift surgery

11:00  Cadaver dissection
       Alveolar distraction osteogenesis

12:45  Farewell

13:00  Lunch break

14:00  End of course day III
Groningen Hotel Recommendation

NH Groningen Hotel
Hanzeplein 132

Please indicate on registration form if hotel accommodation is required.

Please note that the payment of the hotel accommodation will have to be done directly at the hotel.
SonicWeld Rx®

A Revolution in Cranio-Maxillofacial Osteosynthesis

Experience all benefits of a unique and revolutionary osteosynthesis technique:

- 100% amorphous and biodegradable thanks to pure PDLLA
- Highest stability thanks to cortical as well as cancellous anchorage and immediate locking between PDLLA pin and plate
- Simple to use and easy handling thanks to ultrasonic driven introduction of the resorbable materials
